

**Have you passed the Fellowship Exam prior to 2015?**

**EM-WBAs Calculation of Credit**

Calculated for each trainee individually.

**Step 1.** Calculate the ED time completed prior to the 2015 training year.

**Step 2.** Calculate the number of EM-WBAs that would now be expected in that amount of ED time.

**EM-WBAs Transition Requirements**

Applicable to trainees with 6 months or less of ED time remaining.

These trainees will be required to complete the following EM-WBAs:

- 2 x Shift Report
- 2 x Case-based Discussion
- 2 x Mini-CEX

The above number of EM-WBAs comprises the minimum requirement for Fellowship (i.e. equivalent to 6 months of ED time).
